

WADSWORTH ATHENEUM MUSEUM OF ART

DIRECTIONS TO PARKING, THEN TO THE MUSEUM

From Route 44 (Avon, Simsbury, Torrington)

- Follow Route 44 into Hartford. It merges and becomes Main Street (south).
- At the Old State House, turn LEFT onto Central Row (on your right, it is Pearl Street).
- At the first intersection, turn RIGHT on Prospect Street.
- At the corner by the Barnes & Noble bookstore, turn LEFT onto Front Street.
- Take the next RIGHT onto Front Street Crossing, at the corner with Bear's Smokehouse.
- The garage is immediately on your left.
- Bring the parking ticket to the museum to be validated.

Walking directions from the garage to the Wadsworth

- Exit the garage the same way you entered.
- Head up the hill (Front Street) by the Barnes & Noble bookstore.
- At the top of the hill, turn RIGHT on Prospect Street.
- The museum entrance is around the corner, on Atheneum Square North.

The entrance at 29 Atheneum Square North is accessible for visitors with strollers or wheelchairs, and it provides easy access to restrooms, the café, theater, and all museum spaces. Wheelchairs are available at the museum to borrow.

Limited handicap-marked parking spaces are located on the corner of Prospect Street. Please note that in Hartford, vehicles with handicap stickers are required to pay regular parking fees.

On Saturdays and Sundays, there is no fee for on-the-street parking. We recommend using the Front Street South Garage because of its easy access to the museum and the highway, and ample parking spaces.
